

## Instructions For Anti Vaccination Process

The following are simple directions to follow in order to retain all one's entitlements intact without having to undergo any vaccinations.

1. Entitlements are unencumbered, unconditional and were created for the benefit of the living – **you**, not the dead, so **claim** them!
2. No-one and no legislation or statute, act or code on earth can compel you to accept vaccination in order to retain your benefits without your consent, neither can it over-ride **contract** <Rules of Equity>, as Equity prevails over legislation.
3. The process is **mandatory** because without noticing your Ministers of your NON-consent and your objection to vaccination, it will be **presumed** by your silence that you have assented and agreed to be vaccinated. Your silence is regarded as your consent. **never ever** remain silent on any issue you don't consent and object. You must **express** your non-consent by way of written Notice, or better, a "My Will Notice".

The key documents you need are;

VAX1 - My Will Notice, Notice and Demand for Further and Better Particulars Else Notice to Cease and Desist - directed to each of 6 key parties – respondents.

VAX2 - My Will Notice and Mandate - directed to each of 6 key parties – respondents.

VAX3 - Declaration in the format of an Affidavit and Notice of Understanding and Intent And Claim of Right (**Declaration**) - directed to each of 6 key parties – respondents.

VAX4 - Affidavit of Claimant - directed to each of 6 key parties – respondents.

VAX5 - A **copy** of the My Will Notice and Mandate addressed to the Prime Minister, is directed to each of the other 6 Ministers – respondents.

VAX6 - Restore Entitlements – is only directed to Patty Hajdu (**only** if your entitlements were already suspended or cut).

Certificate of Mailing – A third party witness, a friend, can testify to witnessing the documents and inserting them into a registered mail envelope . This eliminates any claim there were no documents in the envelope when the respondent receives it (Police Sergeant claimed in court the registered mail envelope he'd received had no documents within it!).

As 3 Ministers disclosed their email address on the parliamentary website, you may serve the scanned documents on them electronically.

As 3 Ministers did not disclose their email address on the parliamentary website, you will have to serve each of those 3 Members by registered post mail, A4 size.

Both "My Will Notice" (VAX1) and "My Will Notice & Mandate" (VAX2) **must** be signed by you, and if relevant, your partner. There is facility to enter two further names on these Notices, for your children.

The "Declaration" (VAX3) is signed by you before a J.P. Make 3 copies, 1 for each of 2 respondents that you serve by registered mail, the original for the Prime Minister and a copy for yourself. Ensure you scan a copy of all signed documents so you can email copies to the remaining three Ministers.

The "Affidavit of Claimant" (VAX4) is directed to each of the 6 parties - respondents for **them** to sign before a JP. It is **not** for you to sign nor complete. Its purpose is to ensure the Respondents either a) accept liability for the devastating effect of vaccinations on your health **before** you are vaccinated **or** b) direct to you in writing that you are exempt from vaccinations whilst retaining your full current entitlements. Ensure each of the 6 Ministers receive a copy of this document.

A **copy** of the "My Will Notice and Mandate" (VAX5) addressed to the Prime Minister is directed to each of the 5 other respondents - Ministers. Make sufficient copies of this document to ensure all 6 Respondents each receive a copy.

The "Certificates of Mailing" discloses all the documents to insert in the envelope. It is signed by your witness (Friend or family member). Place the Certificate of Mailing at the **top** of the bundle of documents to be sent to each of the 3 Ministers by Registered mail. The 3 Ministers that are served by email will not require a copy of this document.

Deliver the bundle of documents for **each** of the 3 Respondents by registered Post mail envelope. The remaining 3 Ministers again are served by email. The words "Office Found" at the top of the first page of

any document directs the respondent to direct the document to the appropriate Respondent. Ensure you address each envelope correctly by copying the name and address of each Respondent onto their respective envelope.

**Next Steps:** If there is **no reply** to your first round documents within 21 days of posting them (diarise dates of your first mailing) – proceed to round 2 documents – “Default Notice” and post the round 2 documents on the 22<sup>nd</sup> day. Wait 21 days for any reply and on the 22<sup>nd</sup> day proceed with completing round 3 documents – “Final Notice”. If the respondents don’t reply within 21 days of the date on the Final Notice then a private default judgment is created whereby the respondents agree, by assent (their silence), that you and your family are not required nor compelled to be vaccinated while retaining all your entitlements.

1. Purchase 3 X A4 size post office envelopes.
2. Go to <https://solutionsempowerment.com/non-consent/>
3. Choose International links
4. Click on “Account Setup” and follow the prompts. Enter your personal details as these are required on all the documents making up the 3 step process. It will save you much time by not having to hand write your personal details on each document.
5. The first round documents consist of;
  - a. 3 Registered Post Office Mail A4 size envelopes. Deliver the bundle of documents in each of the 3 envelopes to their respective Respondent. Email the 3 remaining Ministers their bundle too.
  - b. Certificates of Mailing – completed by your 3<sup>rd</sup> party witness {friend or family member} who themselves insert all the first round documents into a Post Office envelope. Each Certificate of Mailing is addressed to one respondent. The Certificate of Mailing lies at the top of the group of documents in each set. Naturally the 3 Ministers that are being served by email will not require a “Certificate of Mailing” as your evidence of service is a snapshot of the delivered email.
  - c. “My Will Notice & Notice & Demand for Further & Better Particulars” is the second document in the set – being a completed document and requiring **only** your signature at the bottom of the last page. Signature should be made in purple or blue pen. Each of the 6 Respondents gets a copy.
  - d. “My Will Notice & Mandate” is the third document in the set and requires **only** your signature at the bottom of the last page. Signature should be made in purple or blue pen. Each of the 6 Respondents gets a copy.
  - e. “Declaration in the format of an Affidavit and Notice of Understanding and Intent and Claim of Right” is the fourth document in the set. It requires on the top of the 3<sup>rd</sup> page beside “L.S.” your thumb print – in purple or red water based ink, if you can locate a water based stamp, and then your signature before a J.P. in purple or blue pen. Make 3 copies of the Declaration, one for each 2 Ministers, a copy for yourself and the original to the PM that you are posting the bundle of documents to. The remaining 3 Ministers can receive their copy by email.
  - f. “Cruden v Neale” being a single page document that is an exhibit to the Declaration and is to be placed behind the last page of each of the Declarations.
  - g. “Affidavit for Claimant” is the fourth document in the set. Do **not** complete this document as it is for the respondent parties to complete so ensure each of the five respondents receive a copy. None will sign the Affidavit because to do so is to accept liability for the damages they cause you by the forcing of or coercion to get you vaccinated. Bureaucrats are cowards and lazy and will never sign anything accepting liability. By not signing is already evidence of the respondents acceptance of liability by “assent” – silence, **and** their admission vaccination is potentially lethal and life threatening.
  - h. A document expressing “Tampering with the mail...”. This statement is to be handwritten in bold red pen on the top of each envelope. Mail has been withheld at a Post Office in the suburb near Parliament House. That is evidence of obstruction and tampering with mail, being a Federal offence. The Post Office needs to be placed on notice **not** to interfere with the delivery of mail.

- i. **IF** you have already lost your entitlements then you need to include the document titled “Notice and Demand to reinstate Entitlements” and include it as the last document in the bundle that is addressed and delivered to Patty Hajdu **only**.
6. You will receive the documents by email in PDF form.
7. Post all 3 envelopes off after you have signed and bundled the documents in order. Email the bundle to the remaining 3 Ministers.
8. Wait 21 days before beginning the second round of documents.
9. You will require 3 X business size registered mail Post Office envelopes, one for each Respondent.
10. On day 22, go through steps 2 to 5 above and just below “Accounts Setup” click on “Round 2”. Enter your email address and password. An email bearing the second round documents, a “Certificate of Mailing” and a “Default Notice” X 6 will be sent to your email address almost instantaneously.
11. Just like the round one process, have your witness, a friend or family member, complete the 3 “Certificates of Mailing”. You sign the Default Notices. Scan them and print 3 copies, one for each Respondent. Naturally the 3 remaining Ministers will not require a copy of that document.
12. Then insert the Certificate of Mailing and Default Notice into each of the 3 Registered Mail Post Office envelopes and post them off. Email the remaining 3 Ministers their copy of the Default Notice.
13. Again wait 21 days before beginning the third round of documents.
14. On day 22, repeat the steps 2 to 5 above and just below “Round 2” click on “Round 3”. Enter your email address and password. An email bearing the third round documents, a “Certificate of Mailing” X 3, and a “Final Notice” X 6 will be sent to your email address almost instantaneously.
15. Just like the round one process, have your witness, a friend or family member, complete the 3 “Certificates of Mailing”. You sign the Final Notices. Scan it and print 3 copies, one for each Respondent.
16. Then insert the Certificate of Mailing and Final Notice for **each** of the 3 Respondents their respective Registered Mail Post Office envelopes and deliver them. Email the remaining 3 Ministers their copy of the Final Notice.
17. If the respondents haven’t replied to your mail within 21 days **after** receiving your correspondences, an agreement is established between all the parties (you and the respondents) where the Respondents have agreed and accepted, by their silence and intent – action – inaction and acquiescence;
  - a. An equitable estoppel is established whereby the Respondents have waived their right to pursue any claim against you, and
  - b. They have no claim of jurisdiction or authority over you and therefore cannot legally, lawfully or validly compel you to comply with their directions to be vaccinated nor any vaccination legislation, and
  - c. You are a private man or woman, as the case may be, therefore being beyond their sphere or scope of authority and jurisdiction, and
  - d. You are free and at liberty to do as you so see fit and desire as long as no life is harmed.
18. The question of **enforcing** your rights and status has frequently arisen.

There are a number of processes to support, protect and enforce your rights and status, as a private man or woman. We recommend & suggest one or more of the following;

(a) Ensure you carry with you on your person & in your car, a copy of:

- i. Your source document to your ID (Information is online at [www.solutionsempowerment.com](http://www.solutionsempowerment.com) under “Courses”), and
- ii. Copies of your notarised or JP sealed three notices & Declaration or Affidavit
- iii. Copy of the document titled “Affidavit of Claimant” <Doc #1> for the respondent aggressor to complete

- iv. Copy of the document titled “Notice of Conditional Acceptance” <Doc #5> for the respondent aggressor to complete

So you can serve the respondent; (a) evidence of an agreement that you are exempt from the restrictions & impositions of the lockdown or vaccination legislation, and (b) you can hold the respondent liable should they harm you by directing them to complete the Affidavit Of Claimant & the Notice of Conditional Acceptance **if** they wish to conduct business with you, & they will refuse to do so thereby acknowledging your exemption to the legislation & allowing you to proceed on your way.

### **Affronted by an aggressor, an alleged party of authority**

- (b) Learn how to say “I decline your offer” or “I don’t consent to your offer, & since all transactions are contractual implying a requirement for consent of all parties, your offer is declined, thank you” & go on your way.

- (c) Contact by telephone the office of the State and/or Federal Health (if CV19 or other vaccination issue) or Transport Minister (if lockdown, border crossing or travel issue) & ask for the Minister or someone next in line to authority, obtain their;

- i. Name/s  
Job Title  
Indemnity Insurance Details & #

- ii. Notice them;  
You don’t consent to the impositions or restrictions imposed upon you, and  
You don’t consent to any offer to contract, and  
You don’t consent to conducting business with the oppressor, aggressor & law breaker, and  
You don’t consent to being surety for the <YOUR LEGAL NAME>, and  
You don’t consent to being subject to the legislation the oppressor, aggressor & law breaker relies upon as their claim to source of authority, and  
You will **“comply”** with the oppressor, aggressor & law breaker’s directions or orders as soon as they have each signed the documents titled “Affidavit Of Claimant” & “Notice of Conditional Acceptance” thereby accepting liability for their actions, restrictions & impositions against you & any harm or damages they cause you and/or your estate. Naturally they will refuse to do so, being **evidence** of their admission & agreement they have no authority over you or to impose or restrict you in any capacity. You then direct the person in authority to **immediately** draft you a letter expressing you & your family’s **exemption** from the vaccination, CV19, lockdown and associated legislation.  
This the person in authority will do for you.

- (d) Shame & blame your adversary by;

- Recording your encounter on your mobile phone & uploading it to Youtube, & tell them so, and
- Notice them they are breaking the law, committing Federal Offenses against you & the Commonwealth Of Australia, such as breach of your peace, threats with menace, assault, deprivation of liberty, trespass (your time & person), wrongful arrest etc thereby **invoking** (in Australia) the office of the Commonwealth Public official (**CPO**) (Information is online at [www.solutionsempowerment.com](http://www.solutionsempowerment.com) under “Topics”, scroll down to “webinars” & watch the CPO webinar, the support documents being in the “Shop” link – Module 23) (Maybe Rangers in USA) whereby you now have a duty to report their offence/s, by way of **formal complaint** (Information is online at [www.solutionsempowerment.com](http://www.solutionsempowerment.com) under “Topics”, scroll down to “webinars” & watch the “Formal Complaints” webinar, the support documents being in the “Shop” link – Module 24), to their superiors & their indemnity insurer & you’ll see if they have a job remaining the following week, then watch them back right off! And
- If you have no office available in your country to stop an aggressor’s actions, then notice them you’ll deliver a formal complaint to their superiors & their indemnity insurer as above, which should bring the aggressor’s actions to a grinding halt.

- (e) File a formal complaint regarding the illegal, unlawful & aggressive actions of the oppressor, aggressor, offender & law breaker, to their superiors, the office of their superiors or employers, to the appropriate Minister/s, to the office of the Attorney or Governor General, to the Federal Police, **and** (the king hit) to their indemnity insurer who in turn may “pull” their public liability insurance

so the oppressor, aggressor, offender & law breaker can no longer be employed by reason of the risk to society.

(f) And the mode recognised most effectively by public employees & officers, being a **Court Order**.

If **not** harmed by the oppressor, aggressor, offender & law breaker;

- i. File an application in the Supreme Court of your State/Country for Orders for **Declaratory Judgment Ex Parte** (ie. without a court hearing or appearance required because you **file** evidence of your private judgment, the default by the respondent/s to reply to & answer any of your three delivered notices, so a Registrar can make the Order) with a supporting Affidavit exhibiting your evidence of the agreement achieved with your oppressor, aggressor, offender & law breaker which they are now in breach of. Ensure you serve the respondent a copy of the application & supporting Affidavit. (Information is online at [www.solutionsempowerment.com](http://www.solutionsempowerment.com) under “webinars” & watch the “Application for Orders for Declaratory Judgment Ex Parte” webinar, the support documents being in the “Shop” link – Module 45). A decision may be made within one to two weeks after filing. That Judgment is to remain at your finger tips and a copy kept within your automobile.

If you were/are harmed or your property damaged by the oppressor, aggressor, offender & law breaker;

- ii. File a Claim with a Statement of Claim in the appropriate State Court (subject to quantum of the award of damages, a liquidated sum) against the oppressor, aggressor, offender & law breaker & their employer. Once a copy of the Claim & Statement Of Claim are served on the oppressor, aggressor, offender & law breaker & their employer, they have 28 days from the date of being served to file a defence. (Information is online at [www.solutionsempowerment.com](http://www.solutionsempowerment.com) under “webinars” & watch the “Pursue a Claim” webinar, the support documents being in the “Shop” link – Module 31). If no Defence is filed you can file on day 29 an application for Default Judgment **Ex Parte** (Information is online at [www.solutionsempowerment.com](http://www.solutionsempowerment.com) under “Topics”, scroll down to “webinars” & watch the “Application for Orders for Default Judgment Ex Parte” webinar, the support documents being in the “Shop” link – Module 46) for the quantum – amount of the award. That Judgment is to remain at your finger tips and a copy kept within your automobile. If a defence is filed the matter will likely proceed to trial. Your success is almost entirely reliant on the quality of your evidence. If your evidence is flimsy, don’t file a Claim.

#### **Take Notice:**

As we have not at this time experienced personally any offence, attack, oppression or harm caused by an oppressor, aggressor, offender & law breaker we have not yet prepared a Claim and Statement of Claim. However, an example of a recent Claim is provided within Module 31.

Happy participation and engagement!
