

Instructions For Anti vaccination Process

The following are simple directions to follow in order to retain all one's entitlements intact without having to undergo any vaccinations.

1. Entitlements are unencumbered, unconditional and were created for the benefit of the living – **you**, not the dead, so **claim** them!
2. No-one and no legislation or statute, act or code on earth can compel you to accept vaccination in order to retain your benefits without your consent, neither can it over-ride **contract** <Rules of Equity>, as Equity prevails over legislation.
3. The process is **mandatory** because without noticing the Ministers of your NON-consent and your objection to vaccination, it will be **presumed** by your silence that you have assented and agreed to be vaccinated. Your silence is regarded as your consent. **never ever** remain silent on any issue you don't consent and object. You must **express** your non-consent by way of written Notice, or better, a "My Will Notice".

The key documents you need are;

VAX1 - My Will Notice, Notice and Demand for Further and Better Particulars Else Notice to Cease and Desist - directed to each of 5 key parties – respondents.

VAX2 - My Will Notice and Mandate - directed to each of 5 key parties – respondents.

VAX3 - Declaration in the format of an Affidavit and Notice of Understanding and Intent And Claim of Right (**Declaration**) - directed to each of 5 key parties – respondents.

VAX4 - Affidavit of Claimant - directed to each of 5 key parties – respondents.

VAX5 - A **copy** of the My Will Notice and Mandate addressed to the Prime Minister, is directed to Each of the other 4 parties – respondents.

VAX6 - Restore Entitlements – is only directed to Chris Hipkins (**only** if your entitlements were already suspended or cut).

Certificate of Mailing – A third party witness, a friend, can testify to witnessing the documents and inserting them into a registered mail envelope. This eliminates any claim there were no documents in the envelope when the respondent receives it (Police Sergeant claimed in court the registered mail envelope he'd received had no documents within it!)

Both "My Will Notice" (VAX1) and "My Will Notice & Mandate" (VAX2) **MUST** be signed by you, and if relevant, your partner. There is facility to enter two further names on these Notices, for your children.

The "Declaration" (VAX3) is signed by you before a J.P. Make 5 copies, 1 for you, 4 copies and the original for the 5 respondents.

The "Affidavit of Claimant" (VAX4) is directed to each of the 5 parties - respondents for **them** to sign before a JP. It is **not** for you to sign nor complete. Its purpose is to ensure the Ministers either a) accept liability for the devastating effect of vaccinations on your health **before** you attain any vaccination **or** b) direct to you in writing that you are exempt whilst retaining your entitlements.

A **copy** of the Prime Minister's "My Will Notice and Mandate" (VAX5) is directed to each of 4 respondents.

The "Certificate of Mailing" discloses all the documents to insert in the envelope. It is signed by your witness (Friend or family member). Place the Certificate of Mailing at the **top** of the bundle of documents.

As the address of 4 ministers are the same location, the bundle of documents for each of the four Ministers can be inserted within the same registered mail envelope. The words "Office Found" at the top of the first page of any document directs the respondent to direct the document to the appropriate Minister.

Ensure you write each of the 4 Ministers on the front of the registered mail envelope.

The bundle of documents addressed to the Governor General go in a separate envelope by reason she has her own unique address.

Next Steps: If **no reply** to your first round documents within 21 days of posting them (diarise dates of your first mailing) – proceed to round 2 documents – "Default Notice" and post the round 2 documents on the 22nd day. Wait 21 days for any reply and on the 22nd day proceed with completing round 3 documents 'Final Notice'. If the respondents don't reply within 21 days of the date on the Final Notice then a private default

judgment is created where the respondents agree, by their silence, that you and your family are not required nor compelled to be vaccinated but retain all your entitlements.

1. Before you begin you need to purchase 6 A4 size registered post envelopes, the 2 A4 size for each round of documents. <In some countries there are no registered mail envelopes so when asked for registered post mail number on the data entry section of the website just enter zeros <12 zeroes>.
2. Go to <https://solutionsempowerment.com/non-consent/>
3. Choose International links
4. Click on “Account Setup” and follow the prompts. Enter your personal details as these are required on all the documents making up the 3 step process. It will save you much time by not having to hand write your personal details on each document.
5. The first round documents consist of;
 - a. 2 registered mail A4 size envelopes. These envelopes are used to address the five respondents. Four Minister’s documents are inserted in the one registered mail envelope because each is addressed to the *same* address – Parliament House. The second registered mail envelope is addressed to the Governor General at Government House.
 - b. Certificates of Mailing – completed by your 3rd party witness {friend or family member} – they themselves inserting all the first round documents into a registered post envelope. Each Certificate of mailing is addressed to one respondent, either one of each of the four Ministers, and one to the Governor General. The Certificate of Mailing lies at the top of the group of documents in each set that is addressed to each respondent.
 - c. “My Will Notice & Notice & Demand for Further & Better Particulars” is the second document in the set – being a completed document and requiring *only* your signature at the bottom of the last page. Signature should be made in purple or blue pen. Each of the 5 respondents gets a copy.
 - d. “My Will Notice & Mandate” is the third document in the set and requires *only* your signature at the bottom of the last page. Signature should be made in purple or blue pen. Each of the 5 respondents gets a copy.
 - e. “Declaration in the format of an Affidavit and Notice of Understanding and Intent and Claim of Right” is the fourth document in the set. It requires on the top of the 3rd page beside “L.S.” your thumb print – in purple or red water based ink, if you can locate a water based stamp (Spotlight for under \$5), and then your signature before a J.P. in purple or blue pen. Make 5 copies of the Declaration, 4 for each of the Ministers, the original to the Governor General (or to a Minister as long as all 5 respondents get a copy of the Declaration) and you keep a copy.
 - f. “Cruden v Neale” being a single page document that is an exhibit to the Declaration and is to be placed behind the last page of the Declaration.
 - g. “Affidavit for Claimant” is the fourth document in the set. Do *not* complete this document as it is for the respondent parties to complete so ensure each of the five respondents receive a copy. None will sign the Affidavit because to do so is to accept liability for damages they cause you by the forcing or coercing you to be vaccinated. Bureaucrats are cowards and lazy and will never sign anything accepting liability. By not signing is already evidence of the respondents acceptance of liability by “assent” – silence, *and* their admission vaccination is potentially lethal and life threatening.
 - h. A document expressing “Tampering with the mail...”. This statement is to be handwritten in bold red pen on the top of each envelope. Mail has been with held at a Post Office in the suburb near Parliament House. That is evidence of obstruction and tampering with mail, being an offence. The Post Office needs to be placed on notice *not* to interfere with the delivery of mail.
 - i. *IF* you have already lost your entitlements then you need to include the document titled “Notice and Demand to reinstate Entitlements” and include it as the last document in the bundle that is addressed and delivered to Chris Hipkins *only*.
6. You will receive the documents by email in PDF form.

7. Post both registered mail envelopes off after you have completed & signed the relevant documents.
8. Wait 21 days before beginning the second round of documents.
9. You will require 2 A4 size registered mail envelopes (unless you are in a country that has no registered mail), one to carry the Certificate of Mailing and Default Notice addressed to each of four ministers, and the other envelope to carry the same documents to the Governor General.
10. On day 22, go through steps 2 to 5 above and just below “Accounts Setup” click on “Round 2”. Enter your email address and password. An email bearing the second round documents, a “Certificate of Mailing” X 5, and a “Default Notice” will be sent to your email address almost instantaneously.
11. Just like the round one process, have your witness, a friend or family member, complete the 5 respective “Certificates of Mailing”. You sign the Default Notices. Scan it and print another 4 copies, one for each Minister and another for the Governor General.
12. Then insert the Certificate of Mailing and Default Notice for *each* of the Ministers into the one registered mail envelope and the remaining Certificate of Mailing and Default Notice into the other – second registered mail envelope addressed to the Governor General.
13. Again wait 21 days before beginning the third round of documents.
14. On day 22, repeat the steps 2 to 5 above and just below “Round 2” click on “Round 3”. Enter your email address and password. An email bearing the third round documents, a “Certificate of Mailing” X 5, and a “Final Notice” will be sent to your email address almost instantaneously.
15. Just like the round one process, have your witness, a friend or family member, complete the 5 respective “Certificates of Mailing”. You sign the Final Notices. Scan it and print another 4 copies, one for each Minister and another for the Governor General.
16. Then insert the Certificate of Mailing and Final Notice for *each* of the Ministers into the one registered mail envelope and the remaining Certificate of Mailing and Final Notice into the other – second registered mail envelope addressed to the Governor General.
17. If the respondents haven’t replied to your registered mail and email correspondence within 21 days *after* receiving your correspondences, an agreement is established between all the parties (you and the respondents) where the respondents have agreed and accepted, by their silence and intent – action – inaction and acquiescence;
 - a. An equitable estoppel is established whereby the Respondents have waived their right to pursue any claim against you, and
 - b. They have no claim of jurisdiction or authority over you and therefore cannot legally, lawfully or validly compel you to comply with their directions to be vaccinated nor any vaccination legislation, and
 - c. You are a private man or woman, as the case may be, therefore being beyond their sphere or scope of authority and jurisdiction, and
 - d. You are free and at liberty to do as you so see fit and desire as long as no life is harmed.
18. The question of enforcing your rights and status has frequently arisen.
19. There are a number of processes to support, protect and enforce your rights and status, as a private man or woman, the mode recognised most effectively by the public being a Court Order.
20. An originating application for an Order for Declaratory Judgment *ex parte* (without appearance at Court by reason there is no respondent party, because you have un rebutted evidence to support your claim so a Registrar can make the Order in the absence of a Respondent), with appropriate supporting Affidavit and supporting evidence exhibited to the Affidavit, can be filed at the Supreme Court. A decision may be made by the registrar within one to two weeks after filing. That Judgment is to remain at your fingertips and a copy kept at your fingertips. Happy participation and engagement!
